SAFETY PROTOCOLS

SOCIAL DISTANCING & FACE COVERINGS

- Drivers and passengers on buses must wear a face covering.
- Staff will wear face coverings throughout the day.
- Lifeguards and swim instructors will wear face shields.
- Campers will wear face coverings if moved indoors due to weather.
- Campers will wear bathing suits to camp to lessen time in bunks.
- The Dining Hall will be expanded outside under tents to create space between squads and groups eating lunch or snack.
- The Health Center will be expanded outside under tents.

HAND WASHING, SANITIZING, & SCREENINGS

- Parents and staff will complete a digital daily screening form before allowed entry on the bus or into camp.
- Campers will sanitize hands before and after: each bus ride, each activity, each meal or snack, each bathroom use, each time someone says the word "GREEN".
- All staff will be equipped with mini sanitizer spray bottles.
- Sanitizer stations will be placed around camp and specifically near water stations, eating areas, and bunks.
- Surfaces and shared equipment will be sanitized between groups by activity specialists, dining hall staff & our facilities team.
- All bunks have warm water, soap and paper towels for immediate use after bathrooms.
- Bathrooms will be sanitized throughout the day.
- Bunks will be sanitized after each camp day.
- Bathing suits will be sent home nightly instead of weekly.
